1 Latex is beautiful

Yes it is. :)

1.1 How is it beautiful?

Let's look at some good reasons.

1.1.1 Structured

As you can feel/see, it's strongly structured.

2 Latex is fun

No doubt!

2.1 How is it fun?

Let's look at some other reasons.

2.1.1 Programming

You can compile your document just like programming, isn't it fun?
